BULLETIN

Musical Notes

This morning's worship service is going to inspire you! We will hear from Pastor Sam about what it means to 'Stand on the BIBLE', and K. Wayne Windle will be leading us in our worship music. The Chancel Choir will be doing a moving choral offering called "Whisper to My Heart", which will touch your heart. The lyrics to this song say:

*"Whisper to my heart, I will hear You.
Whisper to my heart, I am listening,
Lord."*

Let us make the lyrics to this beautiful song our prayer this morning, as we seek to draw closer to our Heavenly Father.

To God be the Glory! -Chris
